RE: Air Sparging/Soil Vapor Extraction Treatability Study
Work Plan for the Boca Chica Flying Club, Naval Air
Station Complex, Key West, Florida

Dear Mr. Courtright:

I have completed the technical review of the above referenced document dated January 2002 (received February 11, 2002). The document is adequate for its intent and FDEP will approve the modification to the original RAP upon receipt of the engineer's certification. Please see attached comments from Greg Brown on this document.

If I can be of any further assistance with this matter, please contact me at (850) 921-9988

Sincerely,

Tracie L. Vaught
Remedial Project Manager
